We are very pleased to announce the continuing marketing partnership with Sawyers for 2019. We are proud of our motorsports partnerships with quality established business members of the area. Corrigan Oil Speedway promotor Jim Leasure had this to say about the long term relationship: "[Sawyers Chevrolet](#) has been a huge supporter of all things related to weekly short track racing. Their racing roots extend back to 1956 when Buzz Sawyers attended the first ever event at what was then Capital City Speedway and now of course is Corrigan Oil Speedway. [Sawyers Chevrolet](#) has experienced all aspects of the auto sales business, thus developing a very consumer friendly base. When you do business with Sawyers Chevrolet you are making new friends."
