

Smoking

Spartan Speedway is required to and will comply with the New State of Michigan Smoking Law. If indeed the law offends any of our patrons we are sorry but we have absolutely no choice in the matter, we must comply. If you have strong feelings for or against, we hope you will not feel that Spartan agrees or disagrees with the law, when in fact like all laws we feel the best way to demonstrate our respect for all of our patrons is to follow the law to the letter of the law.

Smoking is prohibited in the food court and the General Admission family section.
